Docket No. 98N-1265

Food and Drug Administration

5600 Fishers Lane

Rockville, MD. 20857

MAY -6 A8:46

I OPPOSE THE DRAFT M.O.U. being proposed by the FDA. In particular, I OBJECT to the definition of "inordinate amount" which restricts the availability and the right to obtain medically necessary compounded medications by limiting the number of prescriptions that can be shipped across state lines from specialized compounding pharmacies.

COMMENTS: I had headache's & dizziness 20 days
a month 24 hours a day. I could not care
for my two small children. My compound
prescription changed my life. I went from
Dr. to Dr. for two years till I found a Dr.
that perscribed Progesterone. That was
10 years ago. I can't imagin living
with severe headache's again. Please
do not stop me from going out of
state to find the prescription that
changed my life. I do not think I
would ~~have~~ ^{have} ever ~~made~~ ^{made} it to the
happy healthy woman I am today with
out Progesterone and Madison Pharmacy.

Please fold, seal, and mail by June 1
